MYM Comments:

6/17/14

Yes, This is Angel and she is so gentle and loving, I wouldn't doubt that she fell straight from Heaven. A tri-colored coonhound mix that spends a lot of time with her nose to the ground, on the trail of the perfect family I guess. She plays well with others and enjoys the outdoors. Because of her size, should be supervised around little children but is very calm and kindhearted. Maybe you can make some room in your home for this heavenly furkid.
